Dear Mr. Dickson, Mr. Mims, Mr. Childs, and Mr. Pierce,

Our groups represent air travelers, families, organizations, communities and businesses negatively impacted by aviation noise and pollution nationwide (see list below of supporting organizations). We are following up regarding Mr. Pierce's suggestion at the June 21, 2021 meeting of the NextGen Advisory Committee (NAC) that two or three meetings be held with aviation industry stakeholders between now and the next NAC meeting in October to improve community engagement on aviation noise.

In the spirit of community engagement and to encourage a meaningful dialogue and useful outcomes, we urge the NAC and Mr. Pierce to include in their meetings enough representatives from communities to ensure the NAC hears from a broad range of perspectives. The meetings should incorporate representatives who are a mix of resident/community advocates and elected officials from communities that are directly impacted by aviation operations across the country, including but not limited to Metroplexes and single sites.

We welcome your reply to [info@AviationImpactedCommunities.org](mailto:info@AviationImpactedCommunities.org).

Thank you for considering our request on behalf of aviation-impacted communities.
