Re: Freedom of Information Act (FOIA) request 2023-00104

Dear Ms. Christiansen:

This letter responds to your September 20, 2022 Freedom of Information Act (FOIA) request three sets of records between September 21, 2021 and the September 20, 2022 (the date of your request). Specifically, you request:

- A. "All documents that amend the mutual agreement" of the Federal Mediation and Conciliation Service (FMCS) and the Federal Aviation Administration (FAA);
- B. "All monthly reports from the FMCS" provided pursuant to Article 6, Section C of the agreement between FAA and FMCS signed September 21, 2021; and
- C. All "final written products" referred to in Article 6, Section D of the agreement between FAA and FMCS signed September 21, 2021.

A search was performed in the Office of Environment and Energy (AEE). Enclosed, please find a copy of Modification One to the Reimbursable Interagency Agreement between the FMCS and the FAA ("Modification One"), executed by the FAA on September 1, 2022. Modification One is 12 pages long and is provided in its entirety as responsive to request A.

AEE did not locate responsive records related to request B for the period identified in your September 20, 2022 email. The September 2021 interagency agreement at Article 6, Section C provided to you in response to FOIA request 2022-10696 does not require the FMCS to provide its monthly status reports to the FAA Contracting Officer's Representatives (COR) and Contracting Officer (CO) in writing. To date, FMCS has provided reports verbally.

Finally, AEE did not locate responsive records related to request C for the period identified in your September 20, 2022 email. While the FMCS has submitted initial drafts of deliverables in accordance with the deadlines set forth in the September 2021 agreement, they have not yet submitted "final written products" in accordance with Article 6, Sections D and F of the agreement.

If you owe fees for the processing of this request, an invoice containing the amount due and payment instructions will be enclosed.

You have the right to seek assistance from the FAA FOIA Public Liaison via phone (202-267-7799) or email (7-AWA-ARC-FOIA@faa.gov) noting FOIA Public Liaison in the Subject.

Sincerely,
