

## FAA Noise Policy Review – Panel Discussion with FAA and AICA

### Invitation to Register

July 13, 2023 – Hosted via Zoom Webinar

The Federal Aviation Administration (FAA) and the Aviation-Impacted Communities Alliance (AICA) invites you to register for a virtual panel discussion moderated by the Federal Mediation and Conciliation Service (FMCS) on July 13, 2023, from 6:30 to 8:30 pm Eastern time. In keeping with the FAA’s goal of having a transparent, inclusive, and participatory review process, FAA and AICA have agreed to discuss the review framework and facilitate the submission of meaningful comments by members of local communities who are substantially affected by noise and noise impacts. Nothing within this panel discussion will constitute a comment to the Federal Register Notice.

#### Panelists For FAA:

Donald Scata – Manager, Noise Division (AEE-100)

Krystyna Bednarczyk – Environmental Policy Advisor, Environmental Policy Division (AEE-400)

Additional FAA panelists may be included

#### Panelists For AICA:

Darlene Yaplee – Co-Founder, President (AICA)

Cindy Christiansen – Co-Founder, Chief Technology Officer (AICA)

Amy McCoy – Founding Member (Groton Ayer Buzz), GA Liaison (AICA)

**LINK TO REGISTER:** Please use the following link to register for this event. Each AICA community group will be invited to register up to five (5) attendees. Each individual attendee must register separately. Following the registration period, a link to the Zoom webinar will be provided to all attendees no less than three (3) business days before the event.

**Format and Technology:** The July 13 two-hour virtual moderated panel discussion will be hosted by FMCS via Zoom Webinar. Panelists and moderators will be on-screen. Attendees (not on screen) will not be able to provide comments or questions, but they will be engaged through the use of interactive platforms operated by the hosts throughout the event. This engagement will help direct the discussion in real time. The parties adopt the following common understandings:

1. FMCS will serve as impartial moderators and will lead the discussion.
2. Attendees will include a maximum of five representatives from each of the Alliance’s community groups (AICA) and FAA team members supporting the noise policy review (FAA).
3. No press will be present.
4. Recordings of any kind are not allowed.
5. Meeting notes will be taken and made available.
