

Members of the public may participate in-person or up to the capacity of the teleconference phone line, which can handle 500 participants. To RSVP, participants should contact the meeting coordinator, LCDR Jessica Anderson, by email at jessica.p.anderson@uscg.mil. The meeting location will be the United States Coast Guard Headquarters, Ray Evans Conference Room, 6I10-01-B/C and the teleconference line will be provided to those who RSVP.

The agenda items to be considered by the advisory committee at this meeting mirror those to be considered at MEPC 79, and include:

- Adoption of the agenda
- Decisions of other IMO bodies
- Consideration and adoption of amendments to mandatory instruments
- Harmful aquatic organisms in ballast water
- Air pollution prevention
- Energy efficiency of ships
- Reduction of GHG emissions from ships
- Follow-up work emanating from the Action Plan to address marine plastic litter from ships
- Reports of other sub-committees
- Identification and protection of Special Areas, ECAs and PSSAs
- Application of the Committee's method of work
- Work programme of the Committee and subsidiary bodies
- Election of the Chair and Vice-Chair
- Any other business
- Consideration of the report of the Committee

Please note: the IMO may, on short notice, adjust the MEPC 79 agenda to accommodate the constraints associated with the virtual meeting format. Any changes to the agenda will be reported to those who RSVP.

Those who plan to participate may contact the meeting coordinator, LCDR Jessica Anderson, by email at Jessica.P.Anderson@uscg.mil, or in writing at 2703 Martin Luther King Jr. Ave. SE, Stop 7509, Washington, DC 20593-7509. Members of the public needing reasonable accommodation should advise LCDR Jessica Anderson not later than November 30, 2022. Requests made after that date will be considered, but might not be possible to fulfill.

Additional information regarding this and other IMO public meetings may be found at: <https://www.dco.uscg.mil/IMO>.

(Authority: 22 U.S.C. 2656 and 5 U.S.C. 552)

Gregory J. O'Brien,

Senior Oceans Policy Advisor, Office of Ocean and Polar Affairs, Department of State.

SURFACE TRANSPORTATION BOARD

[Docket No. EP 290 (Sub-No. 5) (2022-4)]

Quarterly Rail Cost Adjustment Factor

AGENCY: Surface Transportation Board.

ACTION: Approval of rail cost adjustment factor.

SUMMARY: The Board has approved the fourth quarter 2022 Rail Cost Adjustment Factor (RCAF) and cost index filed by the Association of American Railroads. The fourth quarter 2022 RCAF (Unadjusted) is 1.295. The fourth quarter 2022 RCAF (Adjusted) is 0.527. The fourth quarter 2022 RCAF-5 is 0.503.

DATES: *Applicability Date:* October 1, 2022.

FOR FURTHER INFORMATION CONTACT:

Pedro Ramirez at (202) 245-0333. Assistance for the hearing impaired is available through the Federal Relay Service at (800) 877-8339.

SUPPLEMENTARY INFORMATION:

Additional information is contained in the Board's decision, which is available at www.stb.gov.

Decided: September 19, 2022.

By the Board, Board Members Fuchs, Hedlund, Oberman, Primus, and Schultz.

Jeffrey Herzig,

Clearance Clerk.

BILLING CODE 4915-01-P

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

[DOT-OST-2022]

Research, Engineering, and Development Advisory Committee (REDAC); Notice of Public Meeting

AGENCY: Federal Aviation Administration, Department of Transportation.

ACTION: Notice of public meeting.

SUMMARY: This notice announces a meeting of the Research, Engineering, and Development Advisory Committee (REDAC).

DATES: The meeting will be held on October 5, 2022, from 9:30 a.m.-5:00

p.m., EST. Requests for accommodations to a disability must be received by September 27, 2022.

Individuals requesting to speak during the meeting must submit a written copy of their remarks to DOT by September 27, 2022. Requests to submit written materials to be reviewed during the meeting must be received no later than September 27, 2022.

ADDRESSES: The meeting will be held virtually or in a hybrid setting. Virtual attendance information will be provided upon registration. A detailed agenda will be available on the REDAC internet website at <http://www.faa.gov/go/redac> at least one week before the meeting, along with copies of the meeting minutes after the meeting.

FOR FURTHER INFORMATION CONTACT:

Chinita Roundtree-Coleman, REDAC PM/Lead, FAA/U.S. Department of Transportation, at chinita.roundtree-coleman@faa.gov or (609) 485-7149. Any committee-related request should be sent to the person listed in this section.

SUPPLEMENTARY INFORMATION:

I. Background

The Research, Engineering, and Development Advisory Committee was created under the Federal Advisory Committee Act (FACA), in accordance with Public Law 100-591 (1988) and Public Law 101-508 (1990) to provide advice and recommendations to the FAA Administrator in support of the Agency's Research and Development (R&D) portfolio.

II. Agenda

At the meeting, the agenda will cover the following topics:

- FAA Research and Development Strategies, Initiatives and Planning,
- Impacts of emerging technologies, new entrant vehicles, and dynamic operations within the National Airspace System.

III. Public Participation

The U.S. Department of Transportation is committed to providing equal access to this meeting for all participants. If you need alternative formats or services because of a disability, such as sign language, interpretation, or other ancillary aids, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

There will be 45 minutes allotted for oral comments from members of the public joining the meeting. To accommodate as many speakers as possible, the time for each commenter may be limited. Individuals wishing to

reserve speaking time during the meeting must submit a request at the time of registration, as well as the name, address, and organizational affiliation of the proposed speaker. If the number of registrants requesting to make statements is greater than can be reasonably accommodated during the meeting, the FAA may conduct a lottery to determine the speakers. Speakers are requested to submit a written copy of their prepared remarks for inclusion in the meeting records and circulation to REDAC members before the deadline listed in the **DATES** section. All prepared remarks submitted on time will be accepted and considered as part of the meeting's record. Any member of the public may present a written statement to the committee at any time.

Issued in Washington, DC.

Chinita Roundtree-Coleman,
REDAC PM/Lead, Federal Aviation
Administration.

BILLING CODE 4910-13-P

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

[Docket No. FAA-2022-1254]

Agency Information Collection Activities: Requests for Comments; Clearance of a Renewed Approval of Information Collection: FAA Airport Data and Information

AGENCY: Federal Aviation
Administration (FAA), DOT.

ACTION: Notice and request for
comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval to renew an information collection. The collection involves aeronautical information the FAA uses to carry out agency missions related to flight safety, flight planning, airport engineering and federal grant analysis, airport actions, aeronautical chart and flight information publications, and the promotion of air commerce as required by statute. The information will be used for airspace studies conducted under 49 U.S.C. 329(b) and published in flight information handbooks and charts for pilot use. We have renamed and updated the collection, previously called the FAA Airport Master Record, to incorporate several related tools using this data that are made available and processed via the same online system—

the Airport Data and Information Portal (ADIP).

DATES: Written comments should be submitted by September 23, 2022.

ADDRESSES: Please send written comments:

By Electronic Docket:
www.regulations.gov (Enter docket number into search field).

By Mail: Andrew Goldsmith, Airport Data and Airspace Branch (AAS-120), Office of Airport Safety and Standards, Federal Aviation Administration, 800 Independence Avenue SW, Washington, DC 20591.

By Fax: 202-267-3688.

FOR FURTHER INFORMATION CONTACT:

Andrew Goldsmith by email at: Andrew.E.Goldsmith@faa.gov; phone: 202-267-6549.

SUPPLEMENTARY INFORMATION:

Public Comments Invited: You are asked to comment on any aspect of this information collection, including (a) Whether the proposed collection of information is necessary for FAA's performance; (b) the accuracy of the estimated burden; (c) ways for FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

OMB Control Number: 2120-0015.

Title: FAA Airport Data and Information.

Form Numbers: 5010-1, 5010-2, 5010-3, 5010-4.

Type of Review: Renewal of an information collection.

Background: 49 U.S.C. 329(b) empowers and directs the Secretary of Transportation to collect and disseminate information on civil aeronautics. Aeronautical information is required by the FAA to carry out agency missions related to flight safety, flight planning, airport engineering and federal grant analysis, aeronautical studies and airport actions, aeronautical chart and flight information publications, and the promotion of air commerce as required by statute. The existing FAA Airport Master Record is now fully online and part of a suite of tools using aeronautical data to support the origination and distribution of airport data and information. Modules include the Airports Geographic Information System (AGIS), Airport Master Record (AMR), Modification of Standards (MOS), Runway Airspace Management (RAM), and Runway Safety Area Inventory (RSAI) as well as Registration. The

burden per respondent will depend on which module or modules the respondent is using as well as the complexity of submitted projects.

We have renamed and updated the collection, previously called the FAA Airport Master Record, to reflect the consolidation of these tools and processes into a single online system—the Airport Data and Information Portal (ADIP). ADIP provides airports with direct access to their data and the ability to submit changes to it according to defined business rules. We are cancelling the PDF forms previously used to collect Airport Master Record data as they are no longer used for any collection activities.

Respondents: Approximately 10,000 airport owners/managers and consultants.

Frequency: Information is collected on occasion.

Estimated Average Burden per Response: 1–5 hours, depending on the module and complexity of the project.

Estimated Total Annual Burden: 10,000–50,000 hours for all submissions.

Issued in Washington, DC, on September 19, 2022.

Andrew Goldsmith,

Aeronautical Information Specialist, Airport Data and Airspace Branch, Office of Airport Safety and Standards.

BILLING CODE 4910-13-P

DEPARTMENT OF TRANSPORTATION

Federal Motor Carrier Safety Administration

[Docket No. FMCSA-2018-0347]

Commercial Driver's License Standards: Application for Exemption; Navistar, Inc. (Navistar)

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice of final disposition; grant of application for exemption.

SUMMARY: FMCSA announces its decision to grant an exemption from the commercial driver's license (CDL) requirements to Navistar, Inc. (Navistar) for a commercial motor vehicle (CMV) driver, Mr. Anders Björkman, employed as an engineer by Navistar's business partner Scania AB (Scania). Navistar and Scania are subsidiaries of Germany's TRATON SE. Mr. Björkman holds a valid Swedish commercial license and wants to test drive Navistar CMVs on U.S. roads to better understand product requirements in "real world" environments and verify
